Why choose Torrens University Australia?

Learning built to supercharge your future

You'll be supported every step of the way with a practical, personalised approach to teaching that's designed to not only land you the job you love, but to ensure you thrive in it.

Learn in the workplace

Our health clinics, professional design studios and fine dining restaurant will make you feel like you've already started your career.

Working with amazing brands

We partner with the top brands across a range of industries such as Vogue, Kathmandu, Playstation and many more.

Don't just learn about it, do it

We know you learn best by doing, so you'll be hands on and in the thick of it from day one, learning the skills you can immediately apply to the workplace.

What's next?

Take your first step towards a career you'll love

Need some help figuring out your options?

You're not alone; 43%* of school leavers have no idea what they want to do after school. Our expert Course and Careers Advisors are here to help with anything you need.

*Bisson, R & Stublely, W, (2017). 'After the ATAR: Understanding How Gen Z Transition into Further Education and Employment', Year 13, Australia.

What you need to know

No ATAR required

We believe it's your passion, not a test score that unlocks your potential. Successful completion of Year 12 Certificate guarantees entry.

*Exceptions may apply to some courses.

Study where you want

We have a nation-wide campus network, in Sydney, Melbourne, Brisbane and Adelaide. Or study from the comfort of your bedroom with online learning.

Scholarships opening doors to opportunity

We're all about rewarding effort and supporting circumstance – that's why we offer more than \$3 million in scholarships every year.

Apply for Early Entry

Get in early and secure your spot with a conditional offer (open until September). *Conditions apply
