Terms And Conditions For Safe Bus Travel

This bus application is only valid until the end of the 2021, or upon your request to stop/terminate the bus arrangements. You are required to reapply at the end of a current year for student bus travel in the following year.

All bus runs are structured in such a way that your child may be picked up any time after 6:30am and dropped off before 5pm. After the bus arrangements have been made, the College reserves the right to make changes to any existing bus arrangements (times, location & bus run) after 1 terms notice.

All bus routes, directions, times and seating capacity are set at the beginning of each year. We are a growing school with increasing numbers of families requesting access to our bus service and as such, we are unable to offer a door to door service.

All the buses are mechanically maintained and serviced and operates in compliance with Queensland Passenger Transport Regulation and Conditions. The bus service is available for students from Prep – Year 12.

A limited free student bus transfer operates to and from Springfield Central Railway Station for students using the railway network. There is also a free intercampus bus transfer service that transfers students between campuses. Please complete the Bus application from so we can issue the student/s an intercampus bus pass, that they must show the driver each trip.

In the event that a student misses their stop, the driver will contact the Belbaker Bus Charters depot who will arrange for a parent/guardian to be contacted. Parents/guardians will be able to collect their student from ABCC; as the procedure is that **the College Bus will return any student who has missed their stop to ABCC at the conclusion of the bus run.**

If you have a concern at any time during the published times of the bus run, please contact Belbaker Bus Charters depot directly on **1300 235 225**.
